

# ReelzChannel's **2009** **OSCARS BINGO**

Robert Downey Jr. does/says something kooky.	Someone thanks his/her publicist.	Someone thanks God in an acceptance speech.	A starlet talks about the joys of motherhood.	Someone remarks "love the shoes" on the red carpet.
Tim Gunn says some variation of "Make It Work" on the red carpet.	The ceremony is described as a "party."	Someone puns on "Confessions of a Shopaholic."	A pun involving MIA's moniker.	A winner seems genuinely shocked that he/she has won.
Someone makes a Joaquin Phoenix joke.	Someone is shown tearing up after a mention of Heath Ledger.	<b>FREE SPACE</b>	Anyone says some variation of "Make It Work" on the red carpet.	<i>Slumdog Millionaire</i> wins something.
Someone makes a joke about Holocaust movies.	A joke about the length of the ceremony is made.	Anne Hathaway is forced to talk about her conning Italian ex.	Talk of the recession.	A shot of a current or former Brad Pitt flame (Angelina, Jennifer, Gwyneth).
Someone thanks his/her agent.	Someone is shown wearing a white knot to support gays and lesbians.	An ethnic name is mispronounced.	Someone says "Harry Winston."	A loser admirably conceals his/her disappointment.
